# Knowledge Base Documentation

The knowledge base was created by taking the 10 key words from Arcane, arcane, league, animated, riot, vi, jinx, piltover, jayce, silco, zaun and filter through the sentences in various of website related to arcane and finds the sentences with the keywords.

A sample dialog I would like see from the chat bot

Chatter: Do you think I would enjoy Arcane?

Chat Bot: '"You don\'t have to play \'League of Legends\' to enjoy the masterful animation of Netflix\'s \'Arcane\' " .
